BC Stars Volume 27 - Issue 5 - Spring 2018

Welcome to the Spring 2018 edition of the BC Benz Bulletin.

The weather finally seems to be looking up. It's been a grey and dreary winter, hasn't it? But the crocuses and snowdrops are out in force, and the sun is shining as I write this.

Despite the weather, the club has not been hibernating. The club Annual Dinner and Awards Night was held in mid-January, a few hardy souls visited Vancouver Island in early February, and about 20 members and friends visited the Canadian Museum of Flight in Langley in early March. We have reports and photos from these events in this issue, as well as a piece on Hydes Leather, a local company who is the North American distributor for the descendent of Roser leather – that famous leather used in German luxury automobiles during the 1950s, '60s and '70s.

I hope you enjoy this issue. With Spring on the way, I hope to see many of you out and about on the roads.

PRESIDENT'S MESSAGE

Matthew Peck

PHOTOGRAPHY

Matthew Peck

Dear Members,

As spring begins to shine light on us I hope everyone is finding the time to go on some drives. I've been daily driving my 2015 GLK 350 for the past two months while a little bit of work is being done on Finn's 1995 E320 Wagon. I bought my wagon last year for my dog, Finn the Shiloh Shepard (@finn_the_shiloh on Instagram), so we could explore beautiful British Columbia together. I've been collecting all of the photos from our little adventures in the wagon and hope to publish an enjoyable article filled with photos and stories of the past two years.

Last spring Finn and I, along with my father (Joe Peck), drove the E320 wagon to the Okanagan for the MBCA Wine tour. This year my mother, her best friend, Finn and I will be driving the GLK to Osoyoos for the 2018 Wine Tour. The only modification I plan on making to the GLK for this trip is adding a roof cargo box. I can't imagine three people a dog and luggage for all of us fitting, so I think it's a good choice.

We have exciting events planned for this spring and summer. Our Wine Tour 2018 is approaching soon, so please review the advertisement in this newsletter. The All German Classic show is now July 22nd at Waterfront Park. Additionally, our Show and Shine, traditionally held at Shipbuilders Square, will be moved to Waterfront Park in North Vancouver Sept 2nd, 2018. Please mark your calendars noting the date and location of these changes.

I would like to thank all of the members who volunteered at the Vancouver International Autoshow; without you the event wouldn't have been a success. The club generated over 100 new membership leads and we are now in the process of converting these leads into memberships! At the end of the Vancouver International Auto sho

Get out and drive.

Best,

Matthew Peck

Inter-Sectional Visit To Vancouver Island

BC FAMILY DAY WEEKEND 2018

What a great opportunity to get away and visit our extended MBCA ‘family’. With a welcome break in the weather, and a warm invitation, my wife Saras and I, set off to visit our friends from the Club’s Vancouver Island Section.

Marke Simmons and Carol Bird have been our guests in the past, on several of our Wine Tours and Whistler Runs. I think many of our Members have made good friends with visitors to our events. Each year, it’s great to see them once again, share a drive and experiences, and have a good chat over lunch or dinner.

A simple motoring trip can be a nice little adventure, especially when it’s in a Mercedes-Benz Youngtimer - Classic 560SL. Who doesn’t enjoy a holiday ferry ride on a sunny day? It always feels good to watch

the beautiful BC scenery slip by, from the deck of a ferry. Marke and Carol were there to greet us at Swartz Bay, with warm hospitality and lunch at their home.

Saras and I booked our trip through BC Ferries Vacations www.bcferriesvacations.com. We got an excellent package price that included the ferry and two nights at the relaxing Brentwood Bay Resort & Spa. A beautiful spot, the rooms were large with a stone fireplace, and each had a spectacular view.

Dinner was excellent, in the resort's upscale dining room.

The following morning, we Mercedes people met with Porsche and Corvette owners, at the Eagle Creek Starbucks. While Saras drove over in Carol's new SLK, Marke and I headed there in his throaty Z06 Corvette. Vancouver Island is jammed full of collector and vintage cars. This Starbucks parking lot was no exception. Amidst lots of high-end Porsches and their friendly owners, there were a number of other fast cars, also.

Bob Wilson, Past President of the Vancouver Island Section, was sure to get up early that morning to come and see us. We had a very enjoyable chat about the future of cars and collectible Classics. There was some real excitement in the

L-R, Marke Simmons, Carol Bird, Saras Mudaliar, Sean Clark, Bob Wilson

air, everyone talking cars. Even the local police noticed. They even drove a 'ghost car' slowly through the parking lot, to make sure we weren't too excitable, or maybe just to make us feel better about ourselves.

After lots of looking under hoods and telling tall tales, we took the time for a scenic drive, and a visit to the home of our hosts later, for dinner.

We greatly enjoyed our weekend, the hospitality, and the camaraderie of our fellow enthusiasts. We're looking forward to the next road trip, and catching up with our friends from other Sections once again.

Our thanks to Marke and Carol, and Bob Wilson.

The Canadian Museum of Flight

SATURDAY DRIVE | LANGLEY, BC

Saturday, March 3rd, 2018

Langley Airport in British Columbia, is the home of the Canadian Museum of Flight. It was started in the 1970's by aircraft enthusiasts who wanted to stop our historic aircraft leaving permanently for the US and Europe. A non-profit society was created, to buy up and restore as many aircraft as possible.

Left to right: Don Rutherford, Richard and Friends, Tony Millikin, Paul Browne, Sean Clark, Helen Poon & Friend Stephen Nemith, Leigh Gayman, Dan Cachola, Herman Bessert, Gary Pullyblank, Joseph Anthony & Friend, Matthew Peck.

According to their website,

“The Canadian Museum of Flight is a non-profit, volunteer-driven museum dedicated to restoring, preserving and showcasing Canada’s rich aviation heritage.”

<http://canadianflight.org/content/about-us>

One Saturday recently, 20 of our BC Stars Members and friends visited this treasure trove of artifacts, celebrating Canada’s rich contribution to the history of flight. There is a small paid-staff, but most of the running of the museum, tours, and aircraft preservation, are carried out by impassioned volunteers. Friendly Administrator, Brenda Radstaak, met us in the Gift Shop, and introduced us to Peter Graham, our Guide. Peter took us outside to the fenced yard, for our first stop, to see the Museum’s collection of non-flying aircraft.

It is a small facility, but the Museum has over 25 static, and flyable aircraft on display. The Museum owns the world’s only restored and displayed Handley Page, Hampden bomber. Recovered off the BC coast, it had lain underwater from the 1940’s to 1985.

<http://www.canadianflight.org/content/handley-page-hampden>

The RCAF’s first jet fighter type, a wood and metal framed De Havilland “Vampire”, of the 1940’s, is under restoration. Notable too, are some

unique Canadian aircraft and variations, an Avro CF-100 all-weather interceptor jet from the early 50’s, a Canadair-built T-33 “Silver Star”, and a later, CF-104 “Starfighter” variant, as used by the RCAF.

We had the unexpected opportunity to get a good look into the cramped quarters of the Hampden, and we could actually go inside a 1937 Beechcraft Expeditor, and an early Sikorsky S-55 helicopter!

Peter told us that many of their aircraft have been restored and rebuilt to fly, as well. The indoor exhibition area housed many restored and replica aircraft. The Museum, as small as it is, and staffed by volunteers, sent over several replica WW1 era fighters for the 2017 Vimy Memorial flypast in France, a Sopwith Camel, an SE5A, and two Sopwith Pups, Very impressive!

Our Members had a wonderful time poring over the history of flight memorabilia and curiosities on display in the hanger, before gathering ‘airside’ for a photo. The Museum’s yellow Harvard Mk IIB Trainer is one of their aircraft that is flown regularly, and it made a fitting backdrop for a ‘Museum Tour’ group photo.

Many of us lingered in the Gift Shop on the way out. The Museum, in addition to mugs and model kits, has a large collection of used aircraft books and photographs for sale, at affordable prices. A pleasant surprise were the huge collection of inspiring Eagle, Dan Dare comics for boys, from the early 1950’s age of jet flight.

Paul Browne dreaming of being a belly gunner

In no time, our 90 minute tour 'flew' by, for want of a better word, and it was time to leave for our lunch.

As an aside, the adjoining restaurant, "I Fly for Pies", was another popular attraction. More than a few of our number took home some famous home-made pie for later.

Many thanks to our Museum hosts, Brenda, who set up such a great day, and Peter, who made it a fascinating and enjoyable experience. Thanks also, to Senior Manager Dave Arnold, for accommodating our large group.

For those who didn't come this time, be sure to do so when you get the chance. The Museum runs on dedicated volunteers, and donations. I urge your support for their fine work by buying a Museum Membership, <http://canadianflight.org/content/join-team> or contributing to their Aircraft Sponsorship Programs.

<http://canadianflight.org/content/aircraft-sponsorship>

Many of us gathered afterwards at Milestones in Langley, to chat about our experience over a good lunch or a beer. The Club was kind enough to donate a few appetisers for the meal. Thanks, Matt !!

To add a bit of a driving component, some of us headed up to Napier's Collectibles on 216th Street. Napier's has long been a warehouse of everything you had forgotten about, and never knew you needed.

From car badges, to vintage cooler chests, to pop bottles to signs and furniture, they have everything! It was a nice little trip down memory lane, and a nice drive to get there.

Thanks to all of those who came out and shared in a great day. When the skies are a bit clearer, I know some of us are hoping for a flight in the Harvard...

Mercedes-Benz

Vancouver Retail Group

Mercedes-Benz Canada and its national dealer network are pleased to announce that the company delivered a total of 3,950 units, down 14 units or -0.4% over February 2017 results. The year-to-date sales of 7,536 units also show a small decrease of 2.3% over 2017 numbers.

A total of 3,501 luxury light trucks and passenger cars were delivered over the course of the month, representing a growth of 5.2% over February 2017. Year-to-date, the number of units retailed decreased by -1.4%. In February, a small decline was seen across the passenger car segment, with 1,726 vehicles delivered for a reduction of 6.7% over the same period last year. The C-Class Coupe was up by 35.2% while the entire E-Class portfolio and the S-Class Sedan showed gains of 51.8% and 37.3% respectively. The new C-Class Wagon also did well.

The GLC and the GLE continued to generate strong sales that grew by 16.8% and 35.3%. Year-to-date sales of the GLC are at 1,071 units while the GLC Coupe has shown a gain of 147.1% so far this year. The ever popular G-Class posted an increase of 80% in February.

The Mercedes-Benz Pre-Owned division reported its best February ever with 1,108 units delivered, posting a 1.8% growth over 2017. The number of pre-owned units sold so far is 2,241 for an increase of 9.1% year-over-year. Overall Certified Pre-Owned penetration has increased by 4.8% year-over-year, from 1,651 units retailed in January and February of 2017 to 1,731

units over the same period in 2018.

“I am very happy with our February results. It is traditionally a more difficult month for many reasons, but our employees, dealers and our colleagues at Mercedes-Benz Financial Services Canada have all worked hard to achieve our collective objectives,” said Brian D. Fulton, President and CEO, Mercedes-Benz Canada. “We showcased many new models at the well-attended Canadian International Auto Show and received Canadian Black Book’s Best Retained Value Awards for the CLA, GLK and the G-Class. Such an early strong start to the year is very encouraging for the entire Mercedes-Benz organization.”

Further information from Mercedes-Benz Canada is available at www.media.mercedes-benz.ca.

GREAT EXPOSURE!

BC Stars Shine at Vancouver International Auto Show 2018

This year's MBCA Motoring Season was launched with great fanfare, as the British Columbia Section showed our MBCA banner to all the 120,000 car enthusiasts entering the annual Auto Show, at the Vancouver Convention Centre. This was a high-profile event, and an unprecedented participation by the MBCA in Vancouver.

2018 marked the return of Mercedes-Benz, as a manufacturer, to the Vancouver Auto Show

President Matt Peck worked with Joshua Peters, Exhibit Sales Manager of the Auto Show, to display some heritage Mercedes cars, also.

It was an amazing opportunity, five days to represent our Club, in a first-class venue on the beautiful Vancouver waterfront.

To quote the VIAS 2018 website, "The 2018 Vancouver International Auto Show offers something for everyone – from ground-breaking concept cars, to unique custom vehicles and hundreds of top automotive products and services celebrating British Columbians' love of our cars and trucks...The Auto Show lives up to a tradition of showcasing a wide selection of luxury vehicles, in a city that sees the highest per capita sales of luxury vehicles in North America. "

And... we had some great stuff to show them!

The 190 SLR Tribute

The Auto Show wanted a very special Classic Mercedes for a feature display, and Matt was able to arrange the loan of a 1963 190SLR tribute racer from Autoform, a local dealer of high-end and exotic cars.

The SLR featured Weber carburetors and other mods to the original 1.9 litre engine, a lowered suspension, and a lightened body with no bumpers and only a small Perspex windshield. The beautiful purity of the 190SL form was very striking.

The AMG S65 Renntech

BC Section Member, Eddy Lai, of Flying Tiger Development, provided us with his splendid 2006 W220, AMG S65 to exhibit. Eddy is known in BC for building and driving Mercedes race cars. He brought the original AMG tuning franchise to Canada, and was recently honoured at 2017's Legends of the Autobahn, in Monterey, California.

Eddy's 2006 AMG was not only part of the lowest production run of S65 models, but the car and its V12 engine received many exclusive Renntech modifications, including a transmission upgrade and an intercooler pump. A very rare car, indeed.

Two blinged out G 550 4x4² on display at the DUB show at the Vancouver International Autoshow

Ahmad's 1960 190SL and Eddy Lai's 2006 S65 AMG on display.

WHISTLER HALLY

2011 Show and Shine

Aria
Exotic Car Rental & Club

Victor Chan holds down the MBCA booth.

The 190SL

Orient Auto Repairs of Port Coquitlam brought to us a very glamorous and eye-catching 1960, 190SL, one of 26,000 produced. Ahmad Gandomi, MBCA Member, and Owner of Orient Auto, fully restored the car himself over the past 20 years. Ahmad hand formed new metal panels for the car, as needed, and stretched and fitted the new red leather trim, himself. Ahmad's son, Hady, painted the car in original Mercedes-Benz colour, Ivory, in their own painting facilities. The finished car made its debut at the 2014 BC Section Show & Shine.

This is Ahmad's personal car, a wonderful father and son project.

Our MBCA Members were very busy on the Sunday afternoon before the Show, delivering and prepping the cars. The 190SL was unloaded from its flatbed delivery truck and un-tarped, outside the venue. Once all the cars had arrived, we drove the Autoform SLR to its Feature Car display area in the Foyer. The other two were set up at the BC Stars'

very own Vendor Booth #418, in the West English Bay Ballroom.

Videos

190SL enters exhibit area: <https://youtu.be/MRnakFXVFgE>

Right from the Show's Wednesday opening, there was a great turnout. BC Stars Club Ambassadors greeted the Public as they came streaming by our display cars. Whether it was the engineering of an exotic V12 Bi-turbo, or the elegance of a Classic roadster, many wanted a closer look, ask questions, or just share a tale or a memory of a Mercedes experience.

There were lots of smiles as fathers pointed out details to their sons, and show-goers posed for photos, or recalled the car they once had, or wished they'd had. The 190SL

was not a car seen every day in 1960, however the stunning colour combinations made any sighting as unforgettable then, as today.

Both Eddy and Ahmad spent time at the booth chatting with the Public.

MBCA NW Regional Director, Jeff Shindler, came down to help us out and enjoy the show. As another bonus, we even received the blessing of Miss Coquitlam 2018, who couldn't resist posing next to the 190SL, for photographers.

A big thank you to Joshua Peters, Exhibit Manager, for so graciously hosting us at the Show.

Many thanks also, to Matthew Peck, BC Section President, for creating this marvellous opportunity for us.

We really enjoyed chatting with people, and showing them The Star!

The 1963 190SLR Tribute keeps the 1988 Lamborghini Countach and the 1987 Porsche 911 Long Hood Backdate company.

Thanks to those who provided our spectacular 'Show Cars':

1963 190 SLR - David Hogg, Autoform

2006 AMG S65 Renntech - Eddy Lai, Flying Tiger Development

1960 190SL - Ahmad Gandomi, Orient Auto

Our people are what this Club is about, as much as the cars. Our friendly Club Ambassadors did a marvellous job of setting up the display and chatting with show-goers about the Club.

Thanks to Leigh Gayman, Chase Kroeker, Victor Chan, Marie & Manfred Stenzel, Don Rutherford, Gary Pullyblank, and Louis Fourie.

MBCA BC Stars Award Dinner

January 13, 2018

WRITER

Sean Clark

PHOTOGRAPHY

Bruce Woloshyn

The BC Stars, Annual Awards Dinner in January. It was an enjoyable occasion to celebrate the past year's achievements, and welcome in 2018.

Club President, Matthew Peck, hosted our Club's Directors and Members for a wonderful evening at the Pier 7 Restaurant in North Vancouver.

The food was excellent, and the company, better.

Jeff Shindler was on hand as the new MBCA Pacific North West Regional Director, for his first official function at a Section Event. Jeff first joined the Club as a BC Section Member. A big congratulations to him, we know that he will bring the integrity needed for this important job. It should be noted that Jeff is the only Canadian serving as a Regional Director in the MBCA.

It was good to see our former Newsletter Editor, Bruce Woloshyn, also. Bruce really helped to put us 'on the map'.

Marie Stenzel was awarded the Member of the Year Award. Not only has Marie been very much involved publicly at many of our events, but she has been quietly and steadfastly working away in the background, also. It was Marie who initiated the process to bring our active and growing Section into full compliance as a professionally-run, non-profit business. Marie's quiet guidance and solid administration, have been indispensable. Thank you, Marie !

Our Vice President, Tony Millikin, received some long overdue recognition. Matt presented Tony with the Regional Officer of the Year Award. This was an award for the most outstanding Club Officer of the entire Pacific North West Region. Tony has for the past several years, been diligently building up our Show and Shine event. He has forged new sponsorship relationships, and turned our event into the biggest MB event in the Region. He has raised the BC Stars profile to give us

significant presence and credibility within the car community. Well deserved, Tony!

Past President, Sean Clark, was honoured for his tenure from 2015 to 2017, with an award presented by Jeff Shindler and Matt Peck.

We look forward, going into 2018 with some challenges, but you can see that we have an excellent team for the road ahead!

Many thanks to Matt Peck and the Organisers, Gary and Linda Pullyblank, for a great evening. Also, thanks to the Awards Committee, Don Rutherford and Gary Pullyblank,

Hearty congratulations are due to all those who worked to make our past events a success, and to those taking us forward into 2018.

Cheers, everyone. Here's to 2018!

MBCA National Election 2018

2018 National Election

Mercedes-Benz Club of America will conduct a National Election this year to select four Directors at Large and six Regional Directors. The Directors at Large whose terms expire in 2018 are: Julie Bruggner, Scott Suits, Sr., Cliff Reyle and Frank Cozza. Regional Directors in the six even-numbered Regions will also be elected this year. Affected regions include: Mid-Atlantic Region (2), South Central Region (4), Southwest Region (6), Great Lakes Region (8), Southeast Region (10) and the Eastern Region (12).

Active members interested in running for office are encouraged to go online for information and petition forms: 1) Go to <http://www.mbca.org/>; 2) click the 'Login' button at the top right corner of the home page and follow the log-in instructions; 3) click on the navigation tab titled "Community" then click on the drop down titled "MBCA Resources." The printable petition forms are under the "Election" section.

Completed Nomination Petitions and Conflict of Interest forms are due at the NBO by May 15, 2018.

If you need assistance, please call the NBO at 800.637.2360, 8am-4:30pm MT (M-T) 8am-4pm MT (F). The deadline for submitting valid petitions is close of business Tuesday, May 15, 2018.

Steve Ross
2018 Election Committee Chair

WELCOME NEW MEMBERS

We are pleased to extend a warm welcome on behalf of the Club, to the following Members and their families who have recently joined our BC Section.

Hendrik Britton, North Vancouver B.C.

Mani Jassal, Vancouver B.C.

Kevin Puri, Richmond B.C.

John Warren, Homer AR.
